OLDIES BUT GOODIES

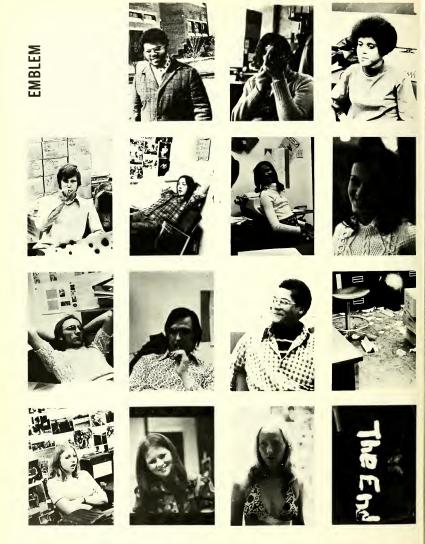

Although confusion ran its course throughout the entire duration of the yearbook, we hope that the student body of C.S.U. will appreciate the 1974 yearbook staffs hard work and efforts in producing this book. We would like to especially thank a few of our staff members, for without the help of these people, the 1974 yearbook would not have been available. These people to whom we owe a special thanks to are: John Bernardini, Barb Habschmidt, Barb Bentley, Delores Harley, Eileen McNellis, Kathy King, Mike Dryjanski, and Debbie Aycock.

There are a few other people who we would like to extend our gratitude to who were not on our staff: Vice-President Larry Smith, Gary Morrisey, and Cliff Burgess.
